Su Kirliliđi ve Su Canlıları - ocuk Kitabı

Water Pollution and Aquatic Animals - Children's Book

Bir zamanlar berrak ve temiz bir gl vardı. İinde balıklar, kaplumbağalar ve kuğular mutlulukla yaşırdı.

Once upon a time, there was a clear and sparkling lake. Inside it, fish, turtles, and swans lived happily.

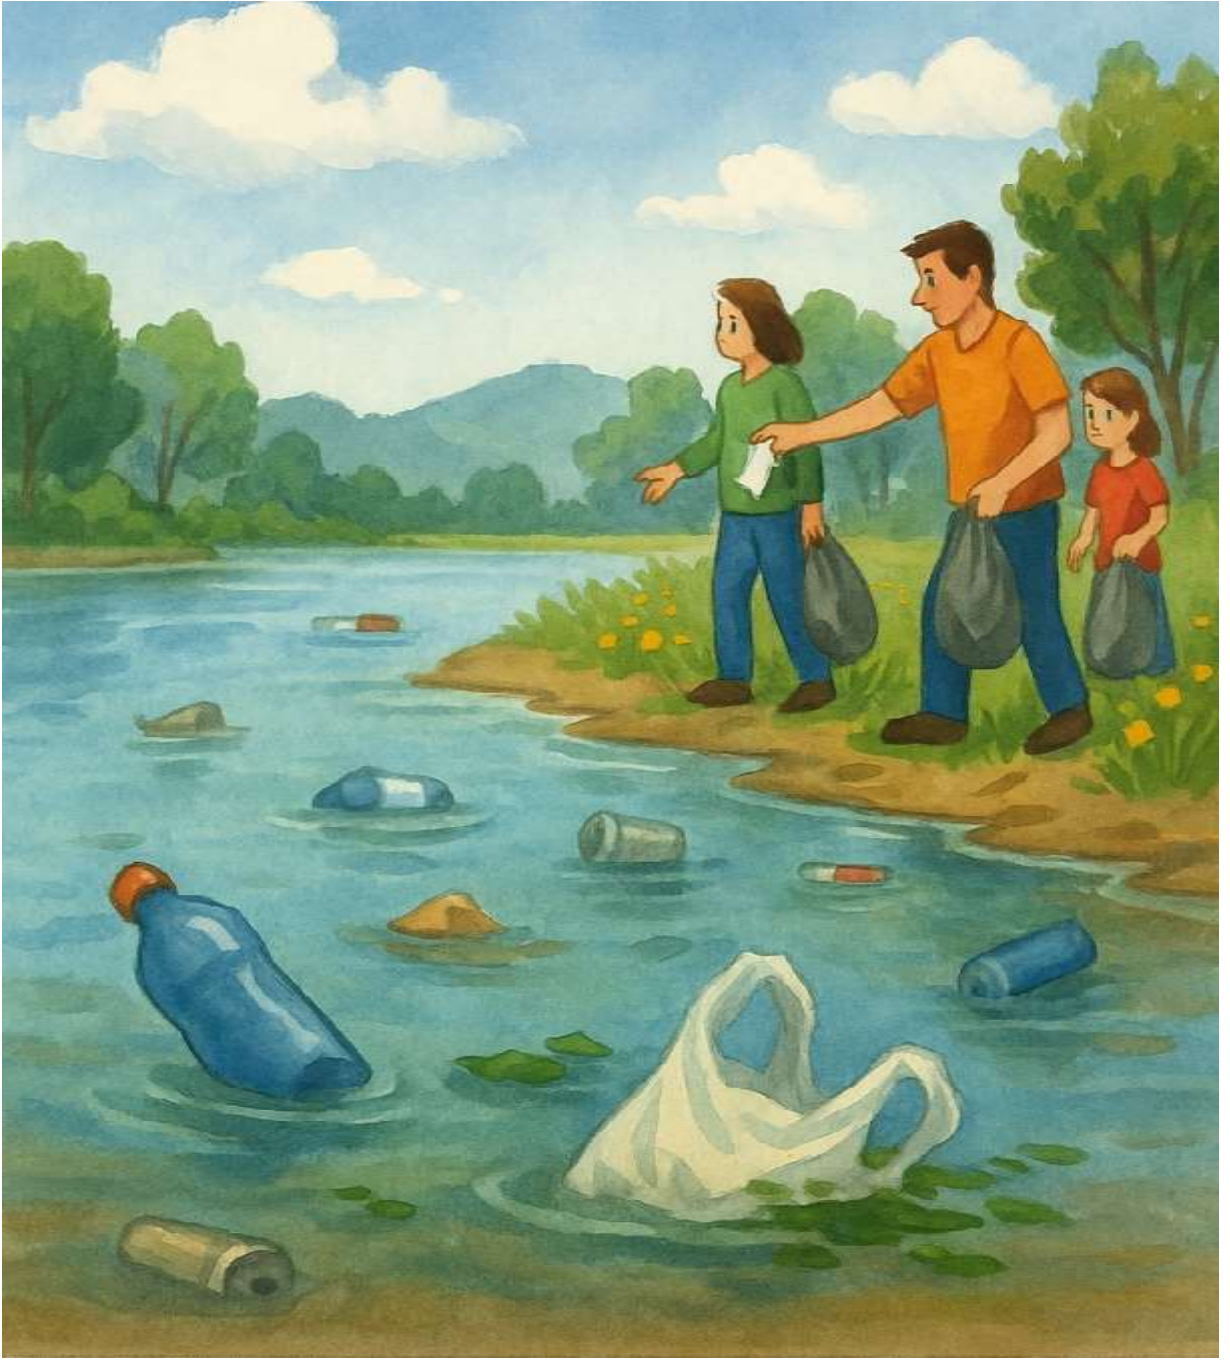

Su o kadar temizdi ki gökyüzü gölde
bir ayna gibi yansrdı.

The water was so pure that the sky
reflected on it like a mirror.

Günlerden bir gün insanlar
göle
çöp atmaya başladı.

One day, people started
throwing trash into the lake.

Balıklar nefes almakta zorlandı, kaplumbağalar poşetlere takıldı.

Fish struggled to breathe, and turtles got stuck in plastic bags.

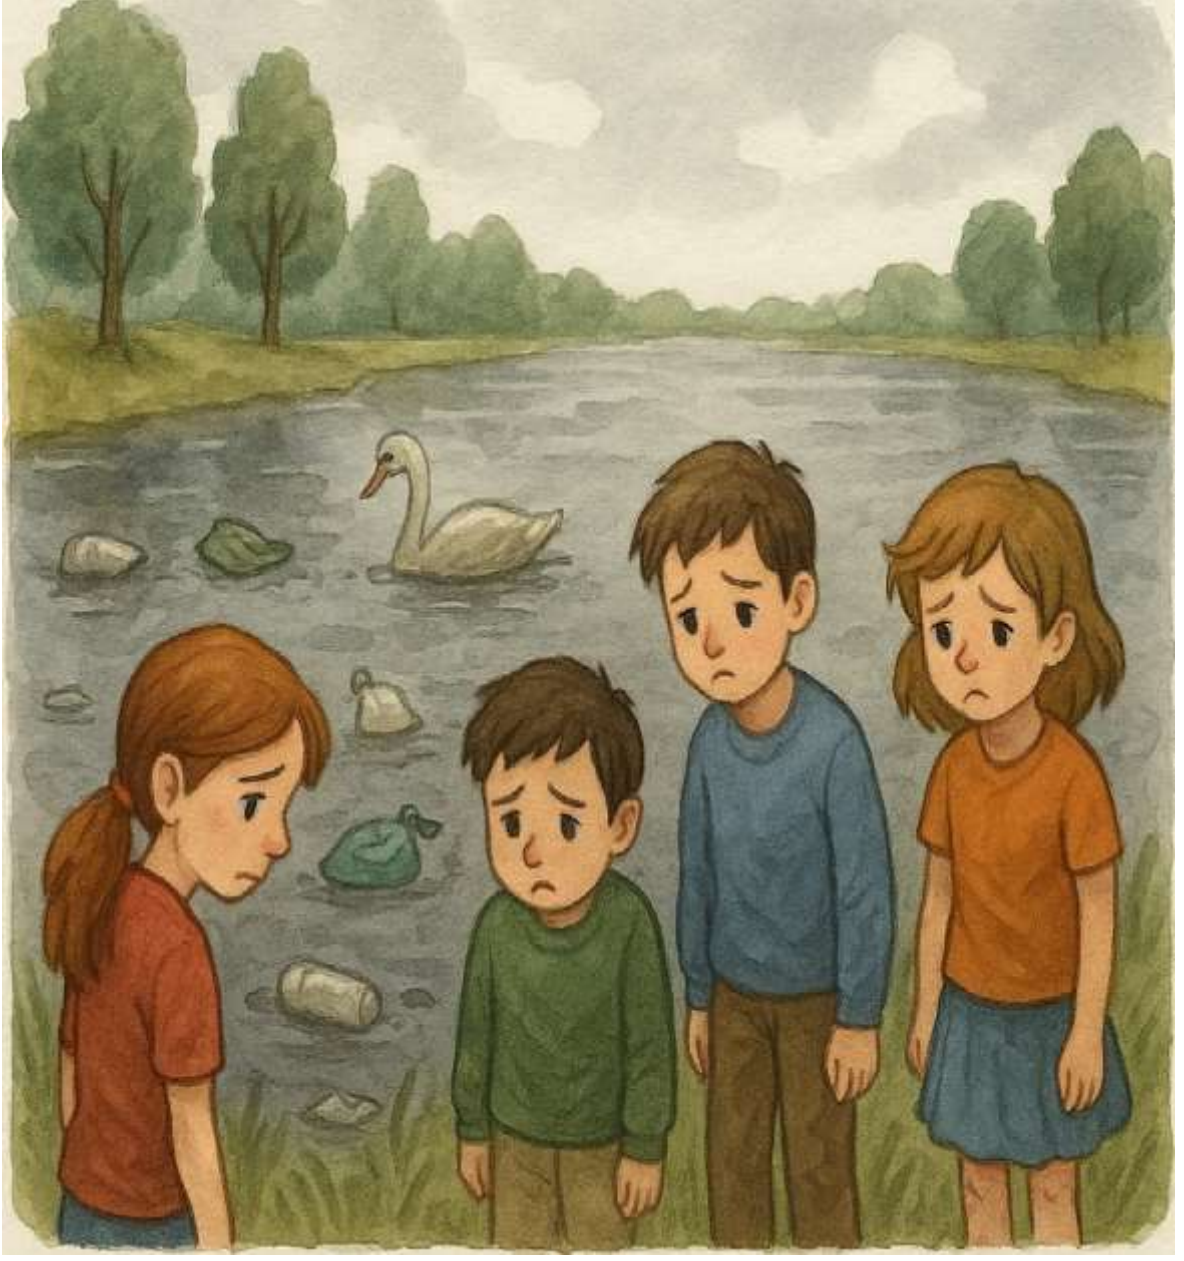

Kuğuların beyaz tüyleri kirlendi,
gölün rengi griye döndü.

The swans' white feathers became
dirty, and the color of the lake
turned gray.

Çocuklar gölün halini görünce
çok üzüldü.

The children were very sad
when they saw the state of
the lake.

Hep birlikte çöpleri
toplamaya
karar verdiler.

They decided to collect the
trash
together.

Günlerce çalıştılar, çöpleri topladılar ve göl yeniden parlamaya başladı.

They worked for days, collected the trash, and the lake began to shine again.

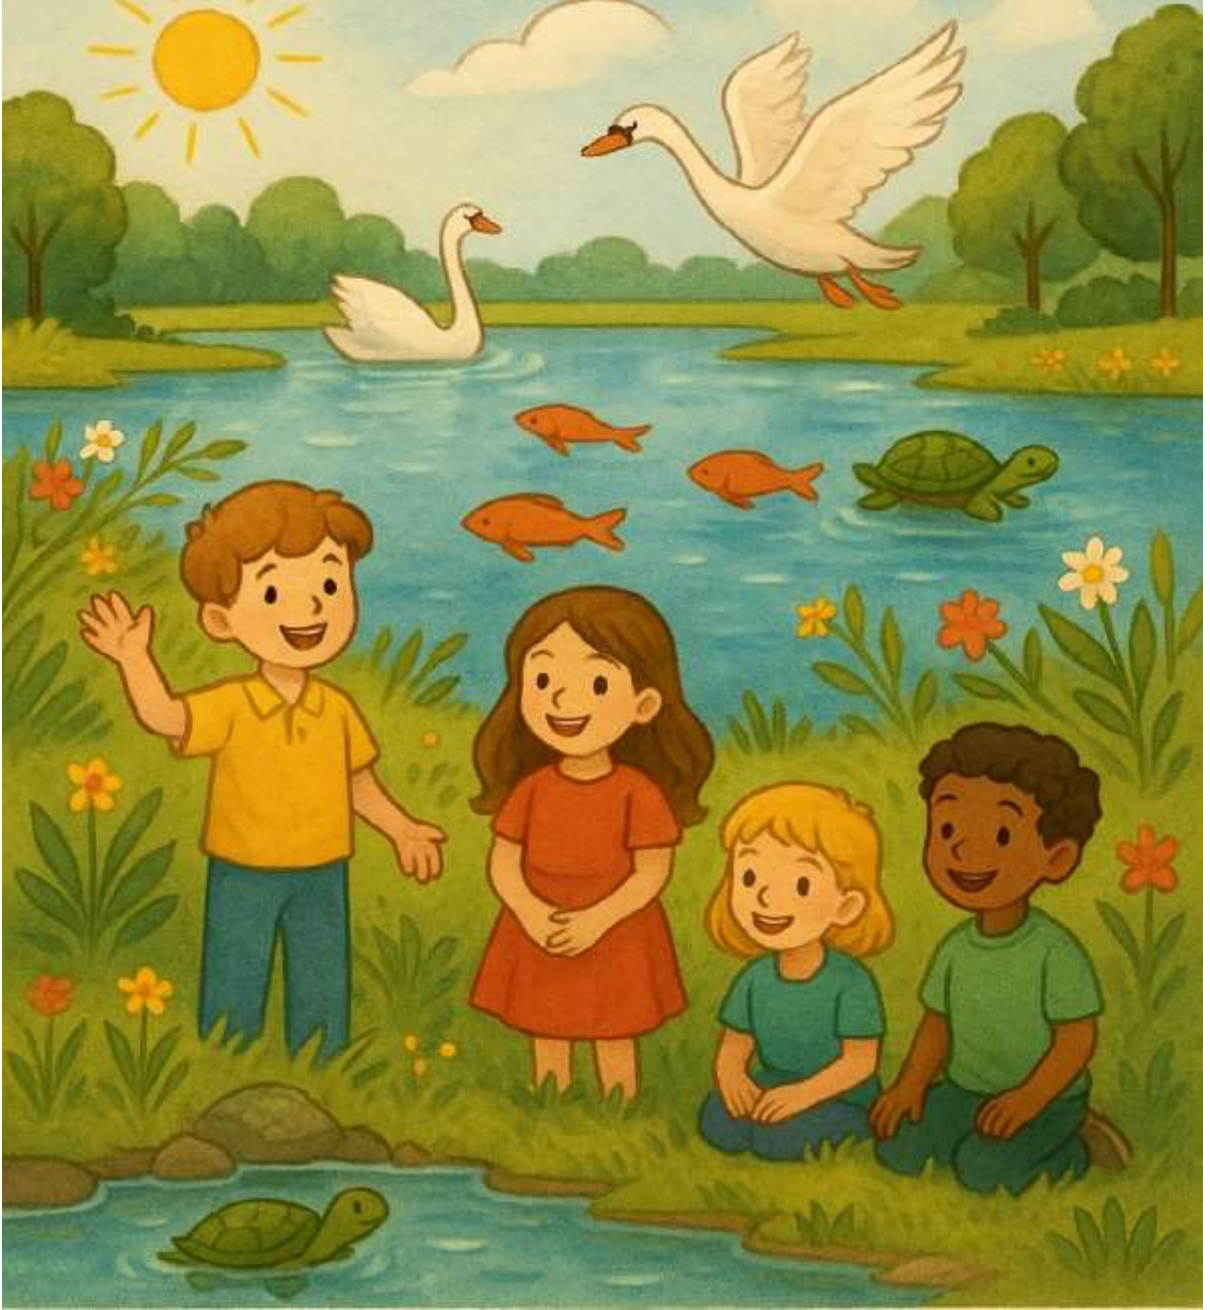

Balıklar yeniden yüzdü, kuğular
kanatlarını açtı.

Fish swam again, and swans
spread their wings.

Herkes anladı ki, su tüm canlılara
aittir ve korunmalıdır.

Everyone realized that water
belongs to all living beings and
must be protected..
